ELITE MEDICAL®
SUPPLY OF NEW YORK

Parachute Health

What is Parachute for Clinicians?

New to the Parachute Platform?
Here's what you should know...

Submit Clean & Accurate Orders the First Time

Real-Time Communication with Suppliers

**Order Status Updates ensure all your patients are cared for**

More time with patients; less time with paperwork.

No more paperwork cluttering your desk

Ensures patients get the life-saving products they need, reliably and on time.

Three Ways to Sign

Approve DME order for Jordan F. by clicking the following link:

parachutehealth.com/gdf978

1. Sign directly in the Parachute Platform with **Sign On-Screen.**
2. Sign via SMS text, email, or text with **Send a Request**
3. Sign, scan, and upload as an attachment with **Print and Attach.**

One-click to sign the Rx, the F2F, and the CMN!

Before Parachute		After Parachute
15% of patients don't receive equipment (on average)	▷ **64%** of those patients are readmitted	▷ **3X** Providers who use the Parachute Platform see a 3x reduction in readmission rate
